

Mona Jadidian Karimi

Profile :

Courteous and enthusiastic, I am interested in IT and everything in its orbit. Since 2019 I began to be fascinated by web programming, E.g. developing and designing websites. I am keen to gain more experience in the field .For this reason, I am looking for a company willing to offer me a placement among their Developers. In return, I would offer my full commitment, and share my knowledge to your team. I am therefore currently looking for a job as a junior Front-end developer.
